He alleges that his arm was cut off and his shoulder badly crushed.

Capt. Phil B. Thompson has instituted suit against Isaac Pearson, of Harrodsburg, alleging that Pearson is indebted to him in the sum of \$1,000 for services rendered as attorney in the now noted case of Isaac Pearson vs. Mercer county. The suit was over the matter of compensation to Pearson for holding the bonds, as trustee, issued to the Louisville Southern Railway Company by the county when it came through that county.

## KINGSVILLE.

Ray Jones, of Lexington, filed his appointment at the Christian church Sunday.

Mr. Campbell, of the new firm of Hodges & Campbell, is spending the week in Lexington. Mr. Hodges came down Sunday and has taken Mr. C's place for the week. Mr. Hodges is contemplating a removal of the entire plant from Lexington here. The firm is to have a new office built very soon, convenient to the mill and depot. The new switch is under construction.

Mr. Jesse Alverson, our next representative, was here Tuesday. Mr. A. seems confident of success in the race for the nomination. He has made himself very popular in this section of the county. Felix Twilwell, the popular traveling salesman, was here Friday. Miss Lena Grillo has accepted a position as teacher in West Virginia and left recently for that State. Mrs. Jas. Robinson, of Junction City, was here Tuesday with friends. Mr. Vallandigham, of Science Hill, is night operator for Mack Williams, who continues ill. Mrs. W. L. Harris' vacant store-room. Houses are constantly in demand here.

It is a great affliction for a woman to have her face disfigured by pimples or any form of eruptive disease. It makes her morbid and sensitive, and robs her of social enjoyment. Disfiguring eruptions are caused by impure blood, and are entirely cured by the great blood-purifying medicine—Dr. Pierce's Golden Medical Discovery. It removes from the blood the poisonous impurities which cause disease. It perfectly and permanently cures scrofulous sores, eczema, tetter, boils, pimples and other eruptive diseases which are caused by the impurity. It increases the action of the blood-making glands and thus increases the supply of pure rich blood. "For about one year and a half my face was very badly broken out," writes Miss Carrie Adams, of 116 West Main Street, Battle Creek, Mich. "I spent a great deal of money with doctors and for different kinds of medicine, but received no benefit. At last I read one of your advertisements in a paper, and obtained a bottle of Dr. Pierce's Golden Medical Discovery. Before I had taken one bottle of this medicine I noticed a change, and after taking three bottles I was entirely cured. I can well recommend Dr. Pierce's Golden Medical Discovery to any one similarly afflicted."

The sole motive for substitution is to permit the dealer to make the little more profit paid by the sale of less meritorious medicines. He gains; you lose. Therefore accept no substitute for "Golden Medical Discovery."

The People's Common Sense Medical Adviser, a book containing 1068 pages, is given away. Send at once one-cent stamps in paper covers, or 31 stamps for the volume bound in cloth. Address Dr. R. V. Pierce, Buffalo, N. Y.

"There is one other exhibition Cresceus may give, and then he will be retired permanently to the stud," said Mr. Ketcham. "I am going to Europe in the fall and will take the horse with me. ## Robbed The Grave.

A startling incident is narrated by John Oliver of Philadelphia as follows: "I was in an awful condition. My skin was almost yellow, eyes sunken, tongue coated, pain continually in back and no appetite, growing weaker day by day. Three physicians had given me up. Then I was advised to use Electric Bitters; to my great joy, the first bottle made a decided improvement. I continued their use for three weeks, and am now a well man. I know they robbed the grave of another victim." No one should fail to try them. Only 50 cents, guaranteed at all drug stores.

## Democratic Primary May 9th, 1903.

VOTE FOR..

We note that our young friend, J. M. Alverson, of Stanford, has announced his candidacy for the democratic nomination for Representative of Lincoln county in the Legislature. Mr. Alverson is a dyed-in-the-wool democrat of the 100-proof kind and a fearless and valiant worker for the party, who has bared his breast to many political storms. A fine newspaper man, he is a born politician and if elected will be a credit to Lincoln's splendid and fighting democracy.—Shelbyville Sentinel.

J. M. Alverson is announced for the Legislature in the county of Lincoln, and from a personal acquaintance and his well established reputation for ability, morals, business and newspaper qualifications the Lincoln democrats might search their towns, villages and knobs and could not do better than nominate and elect Mr. Alverson to represent them and our State in the Legislature. We understand that he is popular with the masses, and here's hoping Lincoln will go for him en masse.—Harrodsburg Democrat.

## JESSE M. ALVERSON,

Who was not born running for the Legislature and, unlike his opponent, does not want the office for life,

FOR REPRESENTATIVE OF LINCOLN COUNTY.

Three children by this marriage are left to mourn the loss of a loving mother—Mesdames J. T. Chadwick, Ward Moore and Miss P. Shivel. She was married again in 1872 to Mr. T. C. White of this county; two children, Hugh S. and George J. were born of this marriage. She united with the Christian church in early girlhood and was greatly loved and respected by all who knew her as the large attendance of her burial was shown. All that loving hearts and willing hands could do was done for her. She is now with the loved ones, who were waiting to welcome her in her heavenly throne.

JOHN SAM OWSLEY, JR.

THE most congenial relations have always existed between the people of the counties of Lincoln and Madison, due, partly, to the fact that many of Madison's best citizens have for a number of years past moved to Lincoln and made it their home and are continuing to come here for that purpose, readily establishing themselves among our foremost citizens, forming strong and durable ties of friendship. The people of the two counties have intermarried to such an extent that we have gradually become allies, so to speak. A number of the Lincoln boys and girls have received their collegiate training at the Richmond colleges, who remember with gratitude the kind and hospitable treatment accorded them while there by a generous and courteous people. An active interchange of business between the people of the two counties has also assisted in drawing the people still closer together. Mindful of all these prevailing conditions we appeal earnestly to the kindly feelings engendered thereby and mutually entertained and urge the voters of Lincoln county to exert themselves on behalf of Joo B. Chenault, of Madison county, candidate for the office of auditor, in the May primary. He is worthy, competent and qualified for the position, having been intimately connected with the office for the last three years and for 10 years immediately prior thereto actively engaged in the banking institutions of his native city and against whom there has never been the breath of suspicion as to his honesty and integrity.

It is enough to make a horse laugh to read Col. Breckinridge's editorials in the Lexington Herald expressing his great sorrow at the harsh words used in Gov. Beckham's and Col. Hendrick's speeches about each other. The uninitiated would think that Col. Breckinridge was really distressed to death about the matter, but most of us know that he is only shedding crocodile tears and that down in his heart he is rejoiced years ago such things might have caused the colonel sorrow, but since his democracy deserted him, quarreling among democrats is the sweetest of music to his ears.

FROM the smuggling and many other arts that are practiced to evade the payment of taxes it appears that there is no debt so irksome to the general run of people. Shortly before April 1 about \$15,000,000 in deposits were withdrawn from banks in Chicago in order to avoid payment of the taxes due by the depositors on that day. Then the deposits were fully restored.

A MISSOURIAN with \$40,000 has killed himself because he was lonely. Seems to us that a man with that much money might have found something to amuse himself with. Most of us would be willing to try to keep from getting lonesome with such a roll in our inside pocket.

A POLL of prominent democrats in Virginia shows a preference for Arthur Pue Gorman for president. They evidently do not entertain the same opinion of the Marylander as the gentleman from Nebraska.

HON. JOHN K. HENDRICK says he will come to Louisville with 30,000 majority on May 9th, but he will surprise a great many if he gets 30,000 votes in the State. This is Beckham year, sure and certain.

### Endorses Abe Renick.

HIGHLAND, April 22.—Having lived for several years in Clark county and knowing Hon. Abram Renick, candidate for the democratic nomination for lieutenant governor of Kentucky, I take great pleasure in commending him to the democracy of Lincoln county for the honor which he seeks at the primary May 9. He is a tried and true democrat and loyal to the principles of democracy. He was a member of the General Assembly of Kentucky in 1900 during the Goebel contest. I would greatly appreciate it if my friends would give him their support and I am sure they will never regret having voted for clever "Abe" Renick, for lieutenant governor. Yours respt., J. Y. GOODPASTER.

## HUSTONVILLE.

Lyon & Myers lost a fine \$400 gelding this week by his rearing up, falling backward and breaking his neck.

Three prominent young ladies in our city are wearing mourning for absent friends. We give their names below but withhold the names of their friends: TOLJAEIUDN.

Misses Edna Camnitz and Julia Stagg leave Friday to spend several days in the capital of Casey. Miss Pattie Moores, of Louisville, is the guest of Mrs. G. B. Barnett.

The daily Vicksburg American of the 17th just to hand contains a fine half tone of their Kentucky pitcher, Howard Camnitz, of our city, of whom they are very proud.

W. K. Leonard, of Rose Hill, bought 242 hogs here at 60c. Quite a number of horses changed hands here, most of which were medium grades of South-eastern plugs. Dr. Barker sold John Coffey, of Adair, a roadster for \$165.

Mrs. G. W. Mills has arranged a musical entertainment for Friday evening, May 1st, at the college chapel. The program will consist of vocal and instrumental solos, duets and quartets by artists. Admission 15c. Receipts to go to repair church.

The subject of Rev. G. W. Mill's sermon on Sunday morning next will be "The Attitude of the Christian Church Toward Christian Union," and in the evening—"Nehemiah." The choir assisted by members of the Choral Club will render some impressive musical selections at both morning and evening services. Everybody cordially invited. Ushers will seat you.

Mrs. Mary J. Huffman is at home after an extended visit to Covington to see her daughter, Mrs. Culbertson. Miss Georgia Newburn spent a day in Danville visiting and shopping. Prof. Davis and wife, of Middleburg College, spent Sunday with Mrs. Fannie Harper. Miss Manona Gibony, handsome daughter of Casey's circuit clerk, is spending a week with her aunt, Mrs. Rud McCormack. Wallace Hall is at home from Washington City to spend his vacation.

The quiet wedding in your city last week of one of the West End's fairest daughters, with a lovable character and popular throughout this and adjoining counties, was a surprise to the many friends of Mr. and Mrs. J. A. Woods. Before their return, however, their friends having recovered their equilibrium, journeyed to the home of the fair bride, laden with substantial tokens of that love and friendship that distinguish true friends through life. Their presents were numerous and elegant, and the congenial atmosphere of welcome and hospitality, together with a delightful lunch held their visitors until the closing hour of a balcony day was gone, but will never be forgotten.

### POLITICAL.

Gov. Beckham will speak at Owen-ton Monday.

John F. Slusher has been appointed postmaster at Four Mile, Bell county. R. Correll, has been appointed postmaster at Correll, Wayne county, vice J. W. Correll, resigned.

Hon. R. H. Tomlinson, of Lancaster, a good democrat and popular all over the State, has withdrawn from the race for lieutenant governor.

President Roosevelt has completed his tour of Yellowstone Park. The snow in the reservation was from two to five feet deep on the level.

Minister Leslie Combs has received a letter of thanks from the President of Guatemala for his good offices in preventing a war between that country and Salvador.

No candidate that has yet visited our town seems to have made so good an impression as did Hon. Henry Bosworth, candidate for treasurer, says the Danville News.

From present indications, it seems that the Hon. T. P. Reed will be the only democratic candidate for representative, and that Mr. R. G. Price will not be opposed for the democratic nomination for circuit clerk—Advocate.

Mr. Jesse M. Alverson, who aspires to be next Representative of Lincoln county, and Mr. C. S. Black, who wants to fill the same position from Mercer county, were both here making votes yesterday among their different constituents who were here attending the horse show.—Danville News.

### THIS AND THAT.

Jane Skilles was burned to death at Bowling Green.

John F. Hunnely died at Middleboro presumably of morphine poisoning.

Clarence Myers, who had been married only a few days, attempted suicide at Morehead.

A Chinese desperado who confessed to 60 murders was crucified and held up as a warning to other malefactors.

Lieut. Gov. Lee, of Missouri, is on his way back to St. Louis to tell all he knows in connection with boodling.

The Indiana St. Louis World's Fair Association has been organized in Indianapolis to get up a \$150,000 exhibit.

It is estimated that the endowment fund of Indiana University has been depleted nearly \$30,000 by unsafe loans on over-appraised property.

Mrs. Samuel Schriver, of near Tiffin, O., while mentally unbalanced, poured oil over her clothing, set fire to herself and was burned to death.

It is probably merely a coincidence that that Louisville operator who added the word "boss" to the Hon. John K. Hendrick's telegram is the same swift individual who, trying to send Hon. G. Allison Holland's statement that there was to him "no sting in defeat," put it "there are no strings on the depot."—Frankfort Journal.

### ANTECARLO 2:26 1-2.

Made over Versailles track in winning race.

Sired by Anteo, 2:16 1/2, that sold for \$50,000 at public sale. 1st dam Mary Ann, by Hailstorm, \$13, son of Mambrino Patchen. These two crosses produced The Abbot, 2:02 1/2, champion trotting gelding of the world. 2nd dam by Independence, son of Andrew Jackson. Independence's dam by American Star. The American Star and Andrew Jackson blood is responsible for Crescens, 2:02 1/2, the champion trotting stallion of the world. You see Antecarlo's two geldings, two next crosses are responsible for the fastest stallion. Then you see he is better bred than either of them for he has the blood of both.

Antecarlo is a solid brown horse, 15 1/2 hands high, weighing 1,170 pounds, fine style and action. One of the best posted men on trotting horses writes of him as follows:

In regard to the stallion, Antecarlo 2:26 1-2 you bought of T. H. Smiley, I will say I worked him about 6 days in 1921 and I consider him one of the fastest trotters I ever drove, or in other words, about as fast as I ever saw. I have seen him trot a 204 gait timed by a prospective buyer. There never was a time while he was in my charge that he could not stop a quarter in 12-13 to a cart. He does not need any extra rigging of any kind.

He will make the present season at our sale barn at \$15 to insure a living colt.

### PENCE (Standard.)

Will also stand this well-known horse. He is too well known to need comment. As a sire of high-class business horses, he has never been surpassed. Will stand at \$20 to insure colt. Mares parted with after being bred to these horses forfeit insurance and money becomes due. Lien retained on colts until season is paid. E. H. BRADLEY & CO.

In the first place the material is of better quality than you could scarcely expect in a skirt of this figure. And then it is elegantly trimmed with a very deep flange and neat ruffles.

But the best point about this garment is the way that it is made. Every seam is strapped and there are no places for the dust to hide. Every stitch is honestly and conscientiously taken, and you'll never be bothered with rips and rents. The yoke makes every "Sorosa" skirt fit like a made-to-order garment. Its price is only \$1.00.

WE are glad to learn that Mr. C. F. Epperson, who was taken to Lakeland Asylum some weeks ago, is getting in better mental condition and that prospects are flattering for a complete restoration of his mind.

"I FAVOR the building of a good court-house, one that we may look on with pride," said Mr. L. G. Gooch, of Wayneburg, to an I. J. reporter yesterday. Mr. Gooch is one of the big tax payers of the county and is not fearful that the rate of taxation will be increased in order to build a decent court-house.

THE Wilmore Times contains a good picture of V. G. Mullikin and two of his famous bloodhounds that located a fugitive in Clay county 44 hours after the trail had been made. During last year Mr. Mullikin made 124 successful captures with his bloodhounds. Sheriff M. S. Baughman has several pups from Mr. Mullikin's breed of hounds.

THE county committee will meet to-day to select officers to hold the primary of May 9. It will appoint only good men and true for the important business they are to do. Holman has a walk-over for the democratic nomination for circuit clerk.

FOLKS UP WILLOW CREEK.—The popular comedian, Frank S. Davidson, with a superb company of actors, will present the great rural comedy, "Folks Up Willow Creek," at Walton's Opera House Tuesday evening, April 28. Mr. Davidson has appeared here three times and is too well known to make comment necessary. He is an exceedingly clever gentleman and is good company on the stage or off of it. The management is not afraid to guarantee his entertainment and will cheerfully refund the money to any one who sees the play and is not pleased with it.

"No man was ever treated better than I was at Hustonville," remarked Hon. Henry M. Bosworth, candidate for State treasurer, to us when he was here Wednesday. "I went to that place and met my good friend, Geo. Weatherford, who hooked up a couple of his fast horses and took me to Liberty. He introduced me to hundreds of democrats and brought me back to his hotel, where I spent the night. Next morning at leaving time I asked for my bill and to my utter surprise he told me it had been paid. Who paid it, said I? Your friends here don't charge you a copper for anything you want and we insist that you don't fail to come back again." Mr. Bosworth was greatly gratified at the clever treatment and told the writer that he almost felt like quitting his race and making his home with the good people at the West End capital.

BOSWORTH HERE.—Hon. Henry M. Bosworth, who captured Caleb Powers and refused the \$1,500 reward offered for him, was here Wednesday shaking hands with friends, old and new. Mr. Bosworth lives at Lexington and he bears the distinction of making Fayette county one of the very best sheriff's offices ever had. He is now a candidate for State treasurer and unless all signs fail he will be the democratic nominee for that office. No candidate ever met with warmer reception than he is receiving wherever he goes. Democrats recognize in him, a fine gentleman and one who would make a most excellent standard bearer and they are going to cast their votes for him as sure as the primary of May 9th comes off. Mr. Bosworth has a strong following in Lincoln and here's hoping that he will carry the county by an overwhelming majority.

HON. ABRAM RENICK, candidate for lieutenant governor, and N. B. Hayes, for attorney general, spoke to a fair-sized audience at the court-house last night after having been introduced by Hon. M. F. North. Both gentlemen did credit to their causes but the effort of Mr. Hayes was especially good and we regret that we haven't the space to make a more extended mention of his logical and interesting talk.

SUPERB SCENERY.—One thousand square yards of special scenery, all on a magnificent scale and adjustable to any sized stage, is carried by the Frank Davidson company, who will appear at Walton's Opera House on Tuesday evening next. This assures absolute scenic perfection to "The Folks Up Willow Creek," and will virtually make an entire new stage in our opera house, all of the stock scenery being removed. Such a display of mechanical effects was never before attempted, and is well worth seeing. Prices 25, 35 and 50 cents. Get reserved seats at McRoberts' drug store.

## Clothing Pointers!

## Quality, Fit and Workmanship

Should be noticed closely before a Suit is purchased. All these points are important. See that the coat fronts are well stiffened so that they will set up well on the chest and not wrinkle back, this keeps the lapels up in place whether the coat is buttoned or unbuttoned. The collars should be put on by hand. The button holes should be worked by hand. Our large stock of Perfect Fitting Clothing have all these points of superiority. We are the only dealers in Stanford selling Clothing made with PATENT SHAPE RETAINING COAT FRONTS. Our values are the best, our fits are perfect. See our large assortment of patterns.
